PREMIER IJ Form News 49

Premium Lightweight Inkjet Coated Matte Paper

Description:
Premium, bright white, matte lightweight inkjet coated paper designed for high resolution graphics. The proprietary instant dry coating produces exceptional color gamut and line acuity without sacrificing print speed or color accuracy.

SPECIFICATION	TARGET	UNIT
Basis Weight	49	G/M²
Paper Weight	33# TEXT	LBS.
Paper Thickness	63	µM
Paper Thickness	2.5	MIL
PPI	800	
ISO Opacity	93	%
Brightness	70	
Shade L/A/B *	87.5/.2/-.3	
Finish	matte	
Structure	coated 2-sides	

* All values are targets

Features and Benefits:

- Inkjet Coated Matte Paper
- Fast Drying
- No Offsetting
- Excellent Runability in Bindery and Finishing
- Significantly Outperforms Treated Papers
- Good Black Density
- Accurate / Wide Color Gamut
- Compatible with both Dye & Pigment Ink

Best printing results achieved in a standard climate of 23°C and 50% relative humidity. For problem-free running, always store the product in original packaging and protect it from direct sunlight and moisture. Before using our medium, check its suitability on your printer and for your planned application. We can assume no liability resulting from technical changes in printers and/or inks. Changes in the product design due to technical developments will not be announced in advance.
