SWORD iJET® 5 High Gloss 128

Premium Inkjet Coated Paper

Description:

Premium inkjet coated paper that sets a new standard for gloss, satin and dull matte stock in the high speed inkjet market. With unparalleled ink absorption and drytime, SWORD iJET® allows printers using dye or pigment ink to run at maximum production speed while using less ink without cockling, offsetting or bleeding.

* All values are targets

Features and Benefits:

- Compatible with Most Pigment & Dye Inks
- Revolutionary New Coating Technology
- Premium Gloss, Satin and Dull Matte Finish
- Improved Print Performance
- Improved Color Matching
- Increased Print Speed
- Fast Drying

Best printing results achieved in a standard climate of 23°C and 50% relative humidity. For problem-free running, always store the product in original packaging and protect it from direct sunlight and moisture. Before using our medium, check its suitability on your printer and for your planned application. We can assume no liability resulting from technical changes in printers and/or inks. Changes in the product design due to technical developments will not be announced in advance.
